DAUGHTERS OF CONFEDERACY CELEBRATE LEE'S BIRTHDAY

The birthday anniversaries of Generals Robert E. Lee and Stonewall Jackson, military heroes of the South, were jointly celebrated Saturday, at the court house with a dinner tendered the members of John Morgan Camp, United Confederate Veterans, by the Richard Hawes Chapter, Daughters of Confederacy.

The big table where the dinner was served was decorated with flowers of red and white and red and white bunting. Miss Carroll Leeper pinned on each guest a small lapel flag of red and white, the emblem of the Confederacy. Members of the Chapter served the guests a substantial dinner.

Rev. Charles H. Greer, pastor of the Paris Methodist church, delivered the invocation. An eloquent and inspiring address touching on the life, character and services of General Stonewall Jackson, was delivered by Rev. T. S. Smylie, pastor of the Paris Presbyterian church. Rev. Arthur Fox, pastor of the Baptist church, gave an eloquent and masterly eulogy of General Robert E. Lee.

The guests for the occasion were: Capt. James Stone, Lieut. Lot H. Young, C. H. Meng, Gano Hildreth, Wm. Stipp, Wm. H. Heathman, Jno. Bedford, Willis Goodman, Martin Bowles, James Clark, Harry Holt, Allen Kiser, J. Harry Brent, James J. McCrone, Perry Jewell, S. B. Biven, Samuel Talbott, Horace M. Taylor, James Taylor, Dr. R. D. Weaver, Wm. H. Whaley, Sr., E. P. Thomson, and Rev. F. M. Tindler. The following veterans were absent: Joseph Hedges, Wallace Batterton, James Trent, Nat. P. Rogers, James R. Rogers, I. P. Laughlin, George Sparks, L. J. Fretwell and Col. E. F. Clay.

DELINQUENT TAXPAYERS FOR LAST YEAR FEW

Judging from the published list of delinquent taxpayers for 1919, as compiled at the Sheriff's office, the number is comparatively fewer than for the preceding year. The property of something less than four hundred delinquents is being advertised for sale at the court house door in this city on Monday, February 2.

After their property has been advertised as delinquent payments for 1919 taxes may be made only with the addition of a six per cent. penalty, four per cent. interest on the amount due, and \$1 for the cost of advertising.

THRIFT WEEK NEWS.

Mayor E. B. January has issued an official Thrift Week proclamation.

All of the Bourbon county banks are uniting in an advertisement on the service a bank renders and reasons for having a bank account.

The Life Insurance men of Bourbon county, likewise, are co-operating in the promotion of the Thrift Week program by donating the space for National Life Insurance Day—Monday, January 19.

One of the National Life Insurance Companies is planning to distribute 1,000 Family Budget books in Paris in connection with the observance of Family Budget Day, on Friday, January 23.

CHANGE OF TIME.

The hour of public sale of the S. Kenney Nichols residence, at High and Thirteenth streets, on Saturday, January 31, has been changed to 2:00 o'clock, instead of 2:30 p. m. as heretofore advertised.

"THE LITTLE SHEPHERD OF KINGDOM COME"

Dorothy Dunn, who has the role of "Melissy" in "The Little Shepherd of Kingdom Come" at the Grand Opera House to-night, Tuesday, January 20, has come to her prominence entirely on merit and she has advanced in her art without regard to the fact that she is a sister of Emma Dunn, the Belasco star. "I would advise any girl who has talent and the determination to win to go on the stage," said she without a moment's hesitation, when she was interrogated as to the desirability of a career behind the footlights. "I have found the people of the stage are the kindest and best friends in the world." I have played in many companies and there never was an occasion when, in adversity, there was not the most helpful sympathy from actresses and actors. My pleasantest recollections are of a year and half I spent in Maude Adams Company in the role of "Wendy" in "Peter Pan." I simply adore the part, Miss Adams was charming. She seemed to make us feel that we were of one family and we felt we were living the characters that Barrie so delightfully presented in his play. I feel the same towards "Melissy," my present part—she is so human, so real that I cannot but imagine at times that I am really the mountain girl so vividly portrayed by John Fox, Jr., in the book."

TOBACCO MARKETS

The Bourbon Tobacco Warehouse Company sold on the floors of their Bourbon warehouse yesterday a total of 256,040 pounds of tobacco for a money value of \$115,726.74, an average of \$45.19. The quality of the offerings was very poor. The floors of all the houses are now full and overflowing. Wagons have to wait their turn to be unloaded. The market registers a slow but steady advance on good and high class offerings, but the tips and mean grades of tobacco are off a shade and give no indication of a material recovery. Some of the averages in yesterday's sales are as follows:

J. T. Kiser, 2,175 pounds, average \$75.31.
Clay & Reed, 2,200 pounds, average \$74.02.
Hopkins & McKenzie, 1,340 pounds, average \$54.11.
Sledd & Carter, 2,360 pounds, average \$70.21.
Dummett & Co., 5,765 pounds, average \$62.63.
J. C. Kenney, 1,565 pounds, average \$96.23.
John Taul & Son, 2,935 pounds, average \$50.83.
Simms & Wett, 9,830 pounds, average \$54.71.
Louis Blackwell, 875 pounds, average \$56.92.
Simms & Logsdon, 8,340 pounds, average \$62.44.
Gravitt & May, 5,780 pounds, average \$51.23.
Mrs. W. B. Woodford & Johnson, 3,255 pounds, average \$66.93.
McCray Bros. & Berryman, 6,035 pounds, average \$61.60.
Frank Butler, 1,230 pounds, average \$53.72.
Barnes & Barnes, 1,375 pounds, average \$50.40.
Day & Claude Tobin, 3,220 pounds, average \$64.86.
Huston & Taylor, 4,275 pounds, average \$69.34.
Whitley, Grimes & Kimp, 955 pounds, average \$57.24.

The world's record for prices on loose leaf tobacco was shattered Friday on the Lexington looseleaf market when a crop of 3,960 pounds, grown by Webb Offutt and O. D. Biddle, of Scott county, sold at Fayette No. 1, for average of \$116.57 a hundred. The highest basket sold at \$124 a pound and the low basket reached the dollar-a-pound level.

The crop sold by basket as follows: 225 pounds, \$1.01; 315 pounds, \$1.11; 470 pounds, \$1.10; 355 pounds, \$1.13; 340 pounds, \$1.13; 275 pounds, \$1.21; 330 pounds, \$1.24; 545 pounds, \$1.21; 430 pounds, \$1.23; 520 pounds, \$1.23, and 105 pounds, \$1.

This crop was grown on virgin soil by a Mr. Biddle, a grower of many years' experience in the raising of high class leaf.

To the present date for this season the Bourbon Tobacco Warehouse Company has sold a total of 3,608,200 pounds of tobacco for a money consideration of \$1,878,839.14, a season average of \$52.07. In the same period the Independent Tobacco Warehouse Company sold a total of 3,339,745 pounds for a money value of \$1,262,559.48, an average for the season of \$59.96. The two companies combined have sold a total of 5,931,265 pounds of the weed during the season, which brought a total of \$3,140,995.31, a season average of \$52.95.

GRIFFITH'S "BROKEN BLOSSOMS" AT THE GRAND, JANUARY 21-23.

Of extraordinary interest, not only to lovers of the motion picture, but likewise to all who appreciate the highest in art in its various manifestations, is the announcement of the Grand Opera House that it has secured David Wark Griffith's superb screen creation, "Broken Blossoms," to be shown Wednesday and Thursday afternoon and evening, January 21 and 22.

Never has a motion picture been accorded a reception comparable to the triumph that has followed every showing of this production. Newspapers have devoted column after column to its beauties and wonders. Everywhere its success has been instantaneous and it is safe to say that in bringing "Broken Blossoms" to our city, the management of the Grand has to its credit the biggest accomplishment in artistic entertainment that we have yet enjoyed.

"Broken Blossoms" should prove the crowning achievement in the splendid gallery of film presentations that we have enjoyed at the Grand. A special program has been prepared, including the music which Mr. Griffith personally arranged and some of which he composed. All in all, we look forward with keen anticipation to the Grand's presentation of the Griffith masterpiece, for a film that has been so sensationally successful elsewhere is assured of more than a hearty welcome in Paris.

AUCTION SALE OF FURNITURE

Mr. Barr was an ex-Confederate veteran, and a prominent farmer of Nicholas county. He is survived by five daughters, Mrs. Clifton Dalzell, of Paris; Mrs. J. R. —Col. R. R. Maltby, aged eighty-eight, a well-known Mason county farmer and ex-Union officer, died at his home in Washington, Mason county, last week. He was an uncle of Robert Goggin, of Paris, and Lawrence Horton, of the county, who attended the funeral and burial Sunday. They made the trip in the automobile of Harry Burgoyne, of Lexington, a lifelong personal friend of the deceased. Col. Maltby was colonel of a regiment in the U. S. Army during the Civil War, and was afterward a traveling salesman. He was given a medal by Congress for bravery in the battles around Chattanooga.

—Charles Clark, formerly of Paris, who has been residing in Louisville for several years as representative of the National Biscuit Company, has gone to Atlanta, Ga., where he will have headquarters as representative of the Dessair Company, of Louisville.

HIGGINS.

—Following an illness of several months' duration resulting from a complication of diseases, William A. Higgins, aged thirty-nine, died at his home, on High street, in this city Friday night.

He was the son of Mr. Timothy Higgins, of Paris, and was for several years engaged in business in Paris and Lexington. He was a quiet, unassuming young man, whose friends were legion, and with whom he was very popular. Besides his father he is survived by two sisters, Mrs. Malachi Flanagan and Mrs. Roger Lavin.

The funeral was held yesterday morning at nine o'clock, at the Church of the Annunciation, with services conducted by Rev. Father Thomas J. Coleman. The interment followed on the family lot in the Catholic Cemetery. The pallbearers were: John Maher, Ray Harris, Joe Lavin, John McCarthy, William Gregory and T. Lenihan.

DERSON MUSICAL FIVE CLOSE PARIS ENGAGEMENT

The Derson Musical Five, who have been playing at The Alamo and The Paris Grand Opera House, closed a very successful and highly pleasing three weeks' engagement Saturday night. They will be in Frankfort this week, probably returning to the Paris houses again next week.

This organization "turned 'em away" night after night during their engagement here. Favorable comment was the only criticism heard here among the patrons of the local houses, and it was with genuine regret that they learned of the close of the engagement of the Dersons.

The Gregg Orchestra, which has been played at the local houses before has been brought here to fill in the time for this week. This is one of the superior musical organizations of Central Kentucky, and their engagement here will assure theatergoers of a season of musical treat.

THREE YEARS WITHOUT HOPE

A Story of Sickness and Suffering with Final Return to Health
It will do you good to read it

No matter how long nor how much you have suffered, do not give up hope. Do not decide there is no help for you. There is. Make up your mind to get well. You can. There is a remedy in which you may place full reliance as did Mrs. Emma Kania of 29 Silver Street, New Britain, Conn. This is what she says: "I had cramps for three years and thought I would never be any better. I could not eat without distress. Slept with my mouth open and could hardly breathe. No medicine helped me. I had catarrh of the stomach. Now I have no cramps and am feeling well and healthy. I wish every suffering person would take PE-RU-NA."

Catarrh affects the mucous membranes in any organ or part. PE-RU-NA, by regulating the digestion and aiding elimination, sends a rich, pure supply of blood and nourishment to the sick and inflamed membranes and health returns.

For coughs, colds, catarrh and catarrhal conditions generally, PE-RU-NA is recommended. If you are sick, do not wait and suffer. The sooner you begin using Dr. Hartman's well-known PE-RU-NA, the sooner you may expect to be well and strong and in full possession of your health. A bottle of PE-RU-NA is the finest emergency, ready-to-take remedy to have in the house. It is fourteen ounces of prevention and protection.

Sold everywhere in tablet or liquid form.

FORMER MAYOR INDORSES TANLAC

"You Will Hardly Know Me When We Meet Again; For I Am Getting Well," He Writes Friend.

One of the latest additions to the list of leaders of thought and action who have come forward with their unqualified endorsement of Tanlac is the name of Hon. Frank V. Evans, former Mayor of Birmingham, Ala., ex-State Examiner of Public Accounts of Alabama, and at one time editor of one of the South's greatest newspapers, The Birmingham Age-Herald.

Writing to a personal friend in Atlanta, Mr. Evans says:

Birmingham, Ala., Feb. 2.
" * * * By the way, you will hardly know me when we meet again. As I told you while in Atlanta, last month, I have been suffering a long time with gastritis, as the doctors call it—really a disordered stomach with consequent constipation pains in the shoulders, headache, belching, heartburn, loss of appetite, loss of sleep, and fainting spells. For weeks I could not sleep on my back.

"One week ago, upon recommendation of friends who had tried the medicine, I purchased one bottle of Tanlac and began taking it. Since my second dose I have suffered none of these troubles to which I refer, and really believe I am going to get perfectly well and strong again. Won't that be wonderful at my age? Well, certain it is that Tanlac is a wonderful medicine and am rather orthodox as to materia medica.

"I shall continue the treatment with perfect confidence in the final results.

"Signed: "FRANK V. EVANS."
Tanlac is sold in Paris by the Peoples' Pharmacy. (adv)

FIND MISSING BANK STOCK BELONGING TO STATE.

A certificate of stock in the National Bank of Kentucky, valued at \$268,000, reported lost, was found in the safe of the Superintendent of public instruction at Frankfort, Tuesday. It was discovered there after telegraphic messages had been flashed between Frankfort and Louisville and all sorts of rumors had been spread as to the "mystery." The 800 shares of stock represented by the certificate were purchased for the benefit of the school system of Kentucky sixty years ago and dividends have been paid on it regularly except for the time since the consolidation of the Bank of Kentucky, the National Bank of Commerce and the German National Bank, of Louisville.

Pale, Anemic Girls Need a Blood Tonic

Pepto-Mangan Enriches and Builds Up the Blood

Pallor, Headaches and Shortness of Breath Disappear

Pepto-Mangan Sold in Liquid and Table Form

Why should any girl or young woman continue to live a pale, sallow complexion and a listless, run-down system devoid of energy and vitality?

Such young folks are continually unhappy and dejected simply because they accept such a condition as their misfortune, and envy their friends who are in the bloom of health and enjoying all the good things of life.

If such young women would realize that their anemic condition is probably due to thin, impoverished blood, which could easily be enriched by Gude's Pepto-Mangan, how much happier and attractive they would be.

Gude's Pepto-Mangan is a safe, beneficial and pleasant tonic for anyone suffering from any ailment caused by poor blood. If taken regularly for a few weeks it will enrich the blood with thousands of the healthy red-blood cells that are needed to carry nourishment to every part of the body.

Pepto-Mangan is sold in both liquid and tablet form. Both contain the same medicinal ingredients. Buy Pepto-Mangan at your druggist's. Be sure the name "Gude's" is on the package. Without "Gude's" it is not Pepto-Mangan. (adv)

Paris, Ky.**BOURBON COUNTY GIRL SEES GENERAL PERSHING**

Miss Alice W. Adair, daughter of Mr. and Mrs. A. P. Adair, of Paris, had the honor of seeing and shaking hands with General John J. Pershing, Saturday, January 10, at the Convention Hall, in Kansas City, Mo., where the World's War hero was presented with a gold sword from the people of his own State, Missouri.

Miss Adair has been a guest of Dr. and Mrs. H. B. Adair, in Kansas City, and while there she writes to THE BOURBON NEWS interesting news concerning the great event.

"It was all wonderful, and I felt proud to be a member of this great historic meeting, and to see the heavily-jeweled trophy presented to General Pershing as a token of Missouri's appreciation of her general's devoted heroism.

"Boy Scouts lined the center aisle of the stage. The band played a martial air, and the General and his escort slowly made their way to the front of the stage.

"There were 12,000 or more wildly enthusiastic people in the Convention Hall, and wild excitement rang throughout the walls. As the band played, everyone cheered, and waved an American flag, in greeting to the great General.

"The sword was presented to General Pershing by Dr. Burris Jenkins, representing the people of Missouri. As he drew forth the gold scabbard and sword, General Pershing gazed on in admiration. The band played 'The Star Spangled Banner,' and every man, woman and child stood erect. It was a great moment in a great day in the life of General John J. Pershing, but to a little Bourbon county girl, seeing all this wonderful event, seemed more than great to her. When the strains of the National anthem had ceased, General Pershing was in full possession of the priceless trophy, which he and all the world had heard so much about. Oh! I could never describe the splendor of it all.

"General Pershing then stepped to the front of the stage, the vast audience still cheering him and waving flags. We all could see the real Pershing, and hear him express his thanks and appreciation to the people of Missouri.

"At the conclusion of General Pershing's remarks, Dr. Jenkins announced that the General desired to meet the people and shake hands with them. This was an unexpected announcement that fairly thrilled the thousands who had attended the meeting. Hearing that grand announcement, I thought of the glorious opportunity that was before

me, one that thousands 'back home' I know would love to have had.

"A large circle of the many spectators moved slowly around Convention Hall and as we neared the General, each fell into single file and shook hands with the great hero.

"He greeted everyone with a smile and a hearty handshake, and when my time came I thought, 'Oh! how wonderful' and how fortunate I was to have been in Kansas City on Pershing Day."

Prevents Dampness.

The best way of preventing a bed from becoming damp if left for a few weeks, is to "make" it and then put a blanket all over the top. Take it off before using the bed, and you'll find it quite dry.

Great Things Planned For Famous Old Transylvania**College of Bible and Hamilton College Included in Kentucky Disciples' Forward Step to Enlarge the Equipment of these Noted Institutions of Learning at Lexington**

For the maintenance of its rightful place, so long occupied among America's leading educational institutions, historic Transylvania, Lexington, Ky., is to unite with the Disciples of Christ of the State, and its thousands of friends throughout the country, in a vigorous campaign for the imperative enlargement of its equipment and for

Transylvania, the Pioneer College of the West, 1785.

Main Building.

an adequate compensation of its faculty. The College of the Bible, for the training of men and women for the ministry and mission field, and Hamilton College, the Junior College for Women, will share in this campaign, which is to be conducted as a part of the Inter-church World Movement.

Up to the time of the starting of the Interchurch World Movement financial drive, Transylvania and its friends

will conduct a campaign of education, in order that the urgent needs of these institutions may be so well understood that everyone will be glad of the opportunity of sharing in their support.

One of the first needs of the institution is a fire-proof building to house its priceless

library, worth more than a hundred thousand dollars, and which if destroyed by fire could not be replaced. Another aim is the increase of the salaries of the professors to a living standard, making it possible to hold its present faculty, and to command the very best available material for increasing its teaching force. Another aim is the continuance of the progressive policies so long maintained by this historic college.

Many other first rank colleges throughout the country have already taken steps to avert a crisis in educational affairs. With the increased cost of everything, it is absolutely impossible for institutions of learning to exist on the basis of former support.

There is also a widespread conviction of the necessity of the maintenance of the college under distinctive Christian influences. An investigation made a few years ago revealed these significant facts:

Eight of the nine Justices of the Supreme Court of the United States were college men; seven of the eight were educated in Christian colleges. Eighteen of the twenty-six Presidents of the United States were college men; sixteen of the eighteen were from Christian colleges.

Eighteen of the twenty-six recognized masters in American Letters were college men; seventeen of the eighteen were from Christian colleges. Of the members of Congress in 1905 who had received

a college education, and whose product of Transylvania achievements gave them a place in "Who's Who in America," two-thirds were graduates of church colleges.

Transylvania and the College of the Bible have educated one president, two vice-presidents, the president of the Southern Confederacy; also secretaries of state,

treasury, post master-general, attorney general; scores of United States senators and congressmen; a Speaker of the House; ministers to many foreign countries; governors of a large number of states; mayors of large cities; authors of national and international reputation; physicians and surgeons of world-wide fame, and thousands of ministers and missionaries of the Christian religion.

Dr. Richard H. Collins, the historian of Kentucky, characterizes its graduates "as statesmen, jurists, orators, surgeons and divines among the greatest in the world's history—men of mark in all the professions and callings of life."

John Fox Jr., noted author, another Transylvania man.

PHYSICIAN GIVES DEFINITION OF "A REAL BAD COLD."

THE NEWS man, walking down Main street the other day with Dr. A. H. Keller, spoke of the prevalence in Paris of "colds" and of having one of those pests himself. He asked Dr. Keller, "Doc, what is a 'cold' anyway?" And here's what he was told: "A cold occurs when the congestion of the blood vessels by cutaneous chilling retards the removal of the products of cell metabolism, or increases the permeability of the epithelial cell surfaces to the bacterial products, or alters the media in the tonsillar crypts and folds of the pharyngeal mucosa, thus disturbing the equilibrium between host and parasite and exciting infection." So, hereafter, anyone suffering will know just how to describe a "cold."

—Dr. W. G. Dailey was in Cincinnati, Thursday, with Mrs. Elizabeth Patterson, who was there under special treatment. Dr. Dailey took Mrs. Armelda Case to the Massie Memorial Hospital, Paris, Saturday for special treatment.

—Elder E. D. Slater, of Nashville, Tenn., has accepted a call as pastor of the Christian church here, to succeed Elder I. C. Van Winkle, and will enter on his charge Sunday, January 25. It will be remembered that Elder Slater was here a few weeks ago and preached a trial sermon, creating a good impression.

—Prof. Montriville Wood closed the Lyceum course here Friday night, when he delivered his illustrated lecture in the M. C. Auditorium, which was good, and enjoyed by all who heard him. It was a decided departure from anything of the kind that Millersburg has ever enjoyed, and was certainly well pleased. Mr. Wood is a scientist, and an inventor, and his work illustrated throughout scientifically.

One negro man, who did not understand the nature of the census-taking, refused to answer the questions, but when the matter was explained to him became more obliging. As a whole, the enumerators have met with the fullest co-operation from all classes of classes of people.

Strong Enough to Do Home Work
and Handle Laundry
Office, Too.

In addition to her regular household duties, Mrs. Cecelia Schaffer, of 1427 Central avenue, Cincinnati, O., operates a laundry office at her home and the double work was hard for her until she took Vola-Tonic, "Builder of Strength."

"My health was poor and that is why the double work I have to do got so hard for me," Mrs. Schaffer said.

"I couldn't eat a thing without getting sick and nervous afterward. Food caused gas to form on my stomach, too, and didn't digest properly. I always bloated badly after meals and had pains in my chest. I was troubled with constipation also and because of it I had miserable headaches frequently."

"Of course, in this condition of health the laundry office and the housework together was mighty hard."

"Vola-Tonic brought a remarkable change in my condition. The indigestion and constipation are gone and the gas on my stomach and bloating have disappeared. The headaches also left me."

"I'm much stronger, too, and can run back and forth between the living rooms and my laundry office in the front part of the house all day long. I can even do hard sweeping or house cleaning easily now."

"I recommend Vola-Tonic to everybody."

Good appetite—good digestion—good blood—good nerves. These four things bring strength to the human system and Vola-Tonic, "Builder of Strength," brings the system these four things.

Vola-Tonic, "Builder of Strength," is being specially introduced in Paris, at Varden & Son's. (adv.)

PHYSICIANS FOR ALL EX-SERVICE MEN.

Officials of Bourbon Post, American Legion, have received a communication from Dr. A. T. McCormick, of Bowling Green, head of the Department of Rehabilitation of the American Legion of Kentucky, stating that a physician will be appointed in every county in the State, whose duty it will be to care for all ex-service men in need of medical attention.

The announcement was also to the effect that the Legion medical efforts will be allied with efforts of the United States Government along the same lines. Arrangements are being perfected so that immediate aid may be given worthy cases throughout the State whenever they arise, with provisions also being worked out to care for serious cases in Government hospitals. The department is also advising that wherever possible physicians who are to be appointed to carry on the work shall be physicians who have seen service in the late war or in the camp hospitals of the United States.

GIRLS! DRAW A MOIST CLOTH THROUGH HAIR

Let "Danderine" save your hair and double its beauty

Oh, girls, such an abundance of thick, heavy, invigorated hair; a perfect mass of wavy, silky hair, gloriously fluffy, bright and so easy to manage.

Just moisten a cloth with a little "Danderine" and carefully draw it through your hair, taking one small strand at a time; this magically removes all dirt, excess oil and grease, but your hair is not left brittle, dry, stringy or faded, but charmingly soft, with glossy, golden gleams and tender lights. The youthful glints, tints and color are again in your hair.

"Danderine" is a tonic-beautifier. Besides doubling the beauty of the hair at once, it checks dandruff and stops falling hair. Get delightful Danderine for a few cents at any drug or toilet counter and use it as a dressing and invigorator as told on bottle. (adv)

A "Rattling" Good Car.
At the sale of government cars recently held in London one of the cars was described as a "rattling" good one. It is said that the sale included a tame squirrel trained to run behind and pick up the falling nuts. Truly English humor is of a more gentle kind than ours. —Living Age.

NO GREAT ACT OF HEROISM REQUIRED.

If some great act of heroism was necessary to protect a child from croup, no mother would hesitate to protect her offspring, but when it is only necessary to keep at hand a bottle of Chamberlain's Cough Remedy and give it as soon as the first indication of croup appears, there the many who neglect it. Chamberlain's Cough Remedy is within the reach of all and is prompt and effectual. (adv-jan)

Old Friends are True Friends

The man, who loves a dog and a pipe, has two staunch friends that never fail him in good luck or in bad. They give all and ask nothing in return. Day by day they become nearer and dearer to him. The man who has not a dog and a pipe has missed two of the greatest things this good old world can give.

Every man who loves his pipe should know Velvet, the one tobacco that brings out all of a pipe's best and sweetest qualities. Your pipe takes on an added friendliness from Velvet's choice Kentucky leaf aged in the wood to a mellowness that's rich and smooth as cream.

Your pipe takes on a mild sweetness that is Velvet's natural tobacco sweetness. And around you hovers the real tobacco fragrance that all good pipe smokers love.

Never did Velvet Joe say a wiser, truer thing than this:

"Folks say you can't buy friendship. You can buy a dog and a pipe and good old Velvet—and I reckon no man ever had three better friends."

Leggett & Sons Tobacco Co.

There's a lot of pipe-loads in every big generous tin of Velvet, and every pipe-load is good tobacco at its best.

SLOW DEATH

Aches, pains, nervousness, difficulty in urinating, often mean kidney troubles. The world's most famous remedy for kidney, liver, bladder and uric acid troubles—

GOLD MEDAL

CHAMBERLAIN'S COUGH REMEDY
For quick relief and often ward off deadly diseases. Known as the national cough remedy for more than 200 years. All druggists, in three sizes. Look for the same Gold Medal on every box and accept no imitation.

"Half-Mast High."

Everyone knows when he sees a flag flown at half-mast that it is a sign of mourning, but few have any idea how the custom originated. It arises from the old naval rule that the sign of submission was the lowering of the flag by the vanquished.

THE BEST COUGH MEDICINE.

When a druggist finds that his customers all speak of a certain preparation, he forms a good opinion of it and when in need of such a medicine is almost certain to use it himself and in his family. This is why so many druggists use and recommend Chamberlain's Cough Remedy. J. B. Jones, a well known druggist of Cuburn, Ky., says, "I have used Chamberlain's Cough Remedy in my family for the past seven years, and have found it to be the best cough medicine I have ever known."

OPPOSE FOREIGN LANGUAGE PAPERS.

Legislation looking to the elimination of all newspapers published in Kentucky in a foreign language will be prohibited if a bill advocated by the American Legion becomes a law. Judge M. K. Gordon, of Middlesboro, is chairman of the American Legion Legislative Committee, and the other members of the committee are Atilla Cox, Jr., Louisville, and Elmer T. Gray, Newport. Stephen Blakey, of Louisville, and John B. Evans, of Covington, are attorneys for the committee.

Representatives of the Louisville Anzeiger were in Frankfort to confer with the legislative committee of the American Legion. They were Leo C. Schumann and Dr. George F. Moser.

REBELLION IN STOMACH

"Pape's Diapepsin" at once ends indigestion and Sour, Acid Stomach

Lumps of undigested food cause pain. If your stomach is in a revolt; if sick, gassy and upset, and what you just ate has fermented and turned sour; head dizzy and aches; belch gases and acids and eructate undigested food—just take a tablet or two of Pape's Diapepsin to help neutralize acidity and in five minutes you wonder what became of the pain, acidity, indigestion and distress.

If your stomach doesn't take care of your liberal limit without rebellion; if your food is a damage instead of a help, remember the quickest, surest, most harmless stomach antacid is Pape's Diapepsin, which costs so little at drug stores.

Perhaps the bald-headed man holds on to his comb and brush because he feels he can't part with them.

TO THE DYSPEPTIC.

Would you not like to feel that your stomach troubles are over, that you can eat any kind of food that you crave? Consider then the fact that Chamberlain's Tablets have cured others—why not you. There are many who have been restored to health by taking these tablets and can now eat any kind of food that they crave.

LIFT OFF CORNS!

Apply few drops then lift sore, touchy corns off with fingers

Doesn't hurt a bit! Drop a little Freezone on an aching corn, instantly that corn stops hurting, then you lift it right out. Yes, magic!

A tiny bottle of Freezone costs but a few cents at any drug store, but is sufficient to remove every hard corn, soft corn, or corn between the toes, and the calluses, without soreness or irritation.

Freezone is the sensational discovery of a Cincinnati genius. It is wonderful.

OFFICERS' AGE LIMIT FOR NATIONAL GUARD WAIVED.

A ruling which will be a great advantage in reorganization of the national guard has been obtained from the War Department by Adjutant General J. M. Dewese. The department will permit company officers, who served in the war and have passed the maximum age to join the new guard, subject to approval of the adjutant general. Under the general order 40 years is the age limit for a captain. Several close to the age limit are willing to undertake reorganization of their companies, and this ruling will permit them to do so.

QUESTION CLEARED UP

Paris Readers Can No Longer Doubt The Evidence.

Again and again we have read of strangers in distant towns who have been cured by this or that medicine. But Paris' pertinent question has always been "Has anyone here in Paris been cured?" The word of a stranger living a hundred miles away may be true, but it cannot have the same weight with us as the word of our own citizens, whom we know and respect, and whose evidence we can so easily prove.

Geo. McCandless, Second Street, Paris, says: "My kidneys were inactive and I had backaches. Doan's Kidney Pills put a stop to all the troubles and they gave me complete relief."

No Trouble Since. Over four years later, Mr. McCandless said: "I haven't had any need of a kidney remedy since I last endorsed Doan's Kidney Pills. I consider myself permanently cured."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. McCandless had. Foster-Milburn Co. Mfrs., Buffalo, N. Y.

MATRIMONIAL.

Miss Kate Wilson, of Mt. Airy avenue, announces the engagement of her daughter, Miss Katherine Wilson, to Mr. Newton Taylor, son of Mr. and Mrs. Newton Taylor, of near Paris. The wedding will occur in the latter part of the present month. Miss Wilson is one of the most charming and attractive young women of Paris, and is highly admired by a large circle of friends for her sweet and serene disposition. Mr. Taylor is connected with the Standard Four Tire Company, of Keokuk, Iowa, of which his brother-in-law, F. R. Eyer, is sales manager. He started at the bottom, working in the factory then represented by the Company in Northern Illinois, working out of Chicago, and was afterward at his own request transferred to Louisville, with the States of Kentucky and Tennessee as his territory.

ROSE—HATFIELD.

A very pretty home wedding was solemnized in this city recently when Miss Goldie Rose became the bride of Mr. Charles Hatfield. The ceremony making them man and wife was performed by Rev. Arthur Fox, of the Paris Baptist church, at the home of the bride's uncle and aunt, Mr. and Mrs. J. R. Johnson, on Clifton avenue.

The bride is the only daughter of Mr. E. D. Rose, and is a very charming young woman. Her wedding gown was white satin, combined with silver embroidery and she carried white carnations. The groom is an industrious young farmer, having for several years been engaged on the farm of Mr. T. H. Clay, near Austerlitz. During the great world war he served eighteen months with a machine gun corps in the American Expeditionary Forces in France. Mr. and Mrs. Hatfield have returned from their wedding tour and are at home to their friends for the present at the home of the bride's father, on Nineteenth street.

(Contributed)

The marriage of Miss Ida Mae Ryan and Mr. Earl Bishop was solemnized on Wednesday morning at nine o'clock, in the Catholic church, at Carlisle. Rev. Father Werkle officiating. The bride wore a traveling gown of blue velour,

with large hat to match, and carried a bouquet of bride's roses. The maid of honor, Miss Eunice Gantley, was lovely in a suit of brown velour, and carried a bouquet of pink roses. From the large number of presents they received it may be judged that their friends were many, and that it will not be for want of good wishes if they do not move most joyously on the matrimonial pathway.

Those who know Mrs. Bishop best are the ones who love her best, and appreciate most highly her many fine qualities of mind and heart that go to make the successful maker of a happy home. Mr. Bishop may be truly said to have won a prize in his beautiful bride. Of Mr. Bishop it may truthfully be said that few young men can claim such an array of loyal friends as he can. These young people go out in the world with the good wishes and the felicitations and prayers of a host of friends and with God's blessings on their heads. With the lovelight in their eyes and love in their hearts the young couple make their start in life under favorable auspices.

Among those from a distance attending the wedding were Mr. and Mrs. Frank Mahar, Maysville; Mr. Dan Corbett and sister, Miss Minerva Corbett, Mrs. John Gantley and daughter, and Mr. Reed Downing, of Wedonia; Mr. and Mrs. Medley, of Covington; Mr. and Mrs. Clarence Maley, of Maysville, and many from Flemingsburg, Lexington, Mayslick, Washington, Cynthia and Paris, whose names were not obtained. Mr. Clarence Maley was best man, Miss Eunice Gantley maid of honor, Dan Corbett and Teddy Shannon, the latter of Paris, acting as ushers.
